PROFESSIONAL PROFILE

Bilingual Junior Web Developer (French/English), specialized in **Backend Development (Laravel, PHP)** and content management (**WordPress**). Combining a strong academic background in Software Engineering with hands-on IT teaching experience, I have mastered the full web project lifecycle, from database design to user interfaces. Passionate about innovation and driven by an entrepreneurial mindset, I am ready to apply my technical rigor and versatility to delivering high-performance digital solutions.

TECHNICAL SKILLS

- **Backend Development:** Advanced proficiency in **PHP** and the **Laravel**; programming with **Python**.
- **Frontend Development:** Excellent command of **HTML** et **CSS**; use of **Bootstrap** for responsive design; **JavaScript**.
- **Content Management (CMS):** Expert in **WordPress** (theme creation, Elementor, maintenance).
- **Databases:** Design and administration of **MySQL**
- **Microsoft Office Suite (Advanced):** Proficient in **Microsoft Word, Excel** and **PowerPoint** at an advanced level.
